

Children Are the Future

Meet Stephen*, a fun-loving, high-spirited young boy here in Gordon County. Stephen has been attending the Boys & Girls Club every day after school and during the summer. He gets high quality programming, a safe place to play and learn, and he gets to spend time with his friends.

The Boys & Girls Club is a United Way Community Partner that provides after-school and summer programs for children of all backgrounds and incomes providing a place to learn and grow.

When you give to United Way, you are building tomorrow's leaders, givers, and volunteers.

LAST YEAR, YOUR GIFT IMPACTED 16,446 PEOPLE, INCLUDING more than 5,000 CHILDREN IN GORDON COUNTY. THANK YOU!
